Club Rules and Safety

- We are letting things slip due to familiarity, ie shutting gates after entry / exit
- Unauthorised people have accessed the pits area
- Reminder that minimum age for Pits access is 8yrs old, and then only when accompanied by an adult.
- People were observed flying FPV (racing quads) from the comfort of sitting in the pits
- We need to remain vigilant and enforce our safety procedures.
- The suggestion of an Incident Book was discussed, but not acted on.

Defibrillator moved to Transmitter Room
